### EAL THE KAINBOW!

Fruits and vegetables come in a rainbow of colors. Eat a variety of colorful fruits and vegetables every day — red, yellow/orange, white, green and blue/purple. Salad greens are in the green color group.

Green fruits and vegetables help maintain healthy vision and strong bones and teeth. Examples of salad greens include romaine lettuce, iceberg lettuce, spinach, bok choy, collard greens, green cabbage, Chinese cabbage, endive, arugula and watercress.

Market Basket of the Month is a WellSpan Growing Healthy Kids School Partnership Initiative.

Growing Healthy Kids is coordinated by the Community Health Improvement Department with financial support from the York Hospital Auxiliary and the Gettysburg Hospital Foundation.
